## Programme ideas: Skills section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a Skills programme of your own.

You can find more information at [DofE.org/skills](https://www.dofe.org/skills) and there is a range of exciting opportunities to help you complete this section at [DofE.org/finder](https://www.dofe.org/finder).

### It's your choice...

Developing a skill helps you get better at something you are really interested in and gives you the confidence and ability to use this skill both now and later in life.

### Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.
