'Career ready'
for
Beyond
Kimbolton

Xello is designed to support students from 1st Form through to Upper 6th in exploring their interests, identifying their strengths, and planning for life beyond Kimbolton. It offers a wide range of interactive activities that help pupils develop self-awareness, investigate future pathways, and set realistic and personalised goals for post-18 education or employment.

Accessible both in school and at home across multiple devices, Xello empowers your child to take an active role in shaping their future. It also plays an important role in developing the essential skills required to thrive in the modern world of work.
