

Pupils' Personal Accident Insurance

Supporting your child following an injury in and out of school

As a parent or guardian, you want your child to enjoy their time in and out of school, taking part in extracurricular activities, school trips and actively getting involved in life.

However, as your child immerses themselves, it's natural to feel a little anxious, as accidents can happen, and in some cases can be life changing both for the child and your family. That's why your school provides personal accident insurance, providing you with the reassurance that your child is covered should injuries happen during sport or play. Our personal accident insurance provides cover in the event of an accident resulting in death or disablement.

This insurance covers your child in and out of school worldwide so includes weekends and school holidays.

New for 2026!

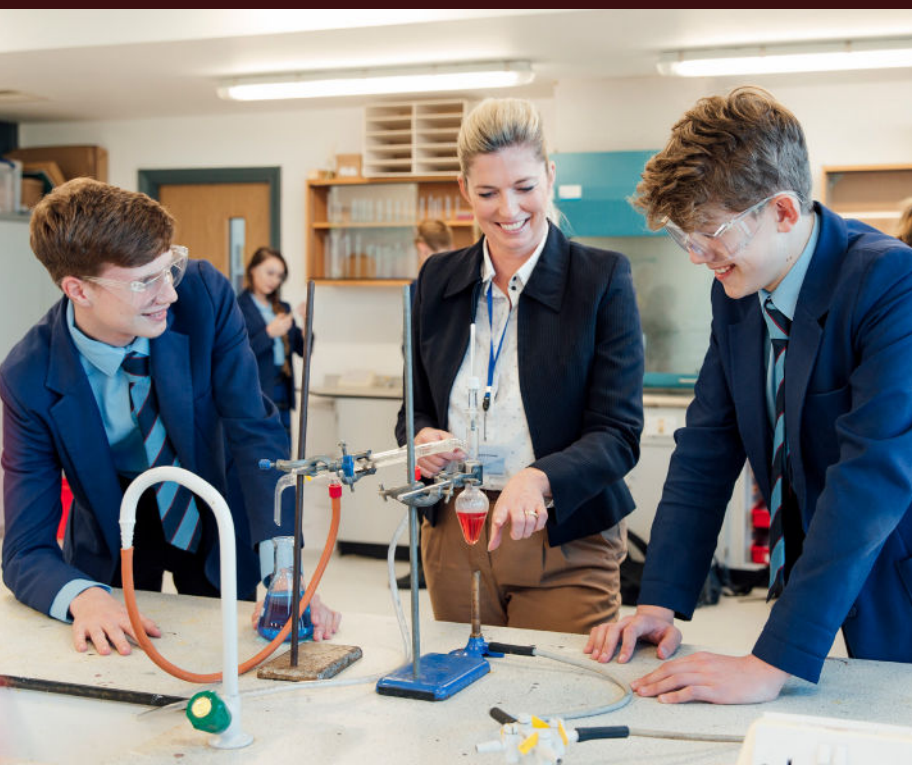

- Cover for pupils is now 24/7, 365 worldwide
- In the event of bodily injury, prosthesis cover up to £30,000
- In the event of bodily injury, cosmetic surgery up to £12,500
