

MEDICAL SOCIETY

If you are considering applying for medicine, dentistry or Veterinary. Please join the Med Soc that is tailored to your application needs and offers a range of sessions including:

- Applying for Medicine/Dentistry/VetMed
- PBL teaching case study
- Medical Ethics
- Introduction to university aptitude tests
- Personal statement writing
- Interview practice
- Dissection skills (rat/pig head)
- Suturing
- Blood pressure and the cardiac cycle
- Student presentations on areas of interest
- Extension topics (e.g. CRISPR and its application in medicine)
- Topical discussion of news articles
- The NHS vs other healthcare systems
- Mental Health

Mr Whatling runs the Med Soc. If you want to get in touch with him to find out more, please email him
